

Yonkers, N. Y. 3<sup>rd</sup> Mo 7<sup>th</sup> 67

My Dear F.

16  
My daughter has just come in from the regular meeting of the Freedmen's society, & I have but a brief moment before the mail closes here.

The Yonkers women <sup>support</sup> ~~have~~ 7 Traders in the South, & are sending all the time of supplies &c. There is no place of its size wh. does so much, but I fear they may grow weary.

<sup>as calling thy attention to it</sup>  
I think, without naming me, if thou could write such an incidental letter, as I could publish in our Standard, alluding to thy visit here, & just giving a word on the above (if thou art interested to do so) its tendency would be for good —

I send thee a paper giving an acct of our glorious Election yesterday, & a little notice from me of thy visit here —
